

# The CCIS February Conference in San Diego Will Revolutionize Independent Study

---

## *Independent Study: On-Line and Beyond*

In order to keep up with the changing needs of independent study providers and their students and the increasing use of on-line strategies, CCIS will provide a full day of cutting edge presentations designed to provide attendees with information. Presentations will include:

- Disrupting I.S.: online learning's promise, potential & pitfalls
- Wiki Ways to Teach Outside the Classroom
- Social networking and Middle School Success using Edmodo
- Lessons with Technology: Teach and Assess for Success
- High School WebQuest Project
- Incorporating Moodle as a learning platform
- Using the power of Google apps in teaching and learning
- Making the most of your money: Leverage Learning with Guerilla Technology
- Attendance accounting
- How to evaluate your IS practices
- California's budget and legislative issues and the impact on independent study
- Credit Recovery through a Blended Learning Approach
- How to Become a WASC Superstar
- Character Based Literacy
- Improving Graduation Rates with Cyber High
- Improve intake and placement to ensure student success
- Implementation of the U.C. "A-G" Policy for Independent Study
- And MORE!!

(scheduled sessions and times are subject to change)
