

3 GREAT WAYS TO SAVE \$\$\$ AND TIME FOR A 4 YEAR COLLEGE

Average Andy

Cal State Avg. \$25,000 X 5.5 yrs. = \$137,500 and 5.5 years (current average time to graduate)

2 years at Saddleback College (SC) then 3.5 yrs. at Cal State Potential Savings \$47,240

Connie CLEP

15 semester units earned through concurrent enrollment, SC summer school and/or CLEP

Cal State Avg. \$25,000 X 5yrs. = \$125,000 Potential Savings \$12,500 and ½ year

30 semester units earned through concurrent enrollment, SC summer school and/or CLEP

Cal State Avg. \$25,000 X 4.5yrs. = \$112,500 Potential Savings \$25,000 and 1 year

Willie WUE

Arizona State / Boise State / Colorado State / Montana State / Northern Arizona / UNLV / University of Hawaii (Manoa) / Washington State and others

ASU \$30,134 X 4 = \$120,536 Potential Savings \$16,964 and 1.5 years

BSU \$23,138 X 4 = \$92,552 Potential Savings \$44,948 and 1.5 years

MSU \$20,175 X 4 = \$80,700 Potential Savings \$56,800 and 1.5 years

CSU \$29,805 X 4 = \$119,220 Potential Savings \$18,280 and 1.5 years

NAU \$30,519 X 4 = \$122,076 Potential Savings \$15,424 and 1.5 years

UNLV \$25,016 X 4 = \$100,064 Potential Savings \$37,436 and 1.5 years

U of H \$30,872 X 4 = \$123,488 Potential Savings \$14,012 and 1.5 years

WSU \$28,150 X 4 = \$112,600 Potential Savings \$24,900 and 1.5 years

CLEP / Concurrent Enrollment / WUE combination could realize even more financial and time savings!!!
