PRESENTATION LENGTH:

60 minutes

2-part (60 minutes each, part 1 and part 2)

POSTER PRESENTATION

30 minutes

This is a new type of presentation that we want to feature for presenters who have great ideas that work, but don't want to do formal presentations. We are looking at having two breakout sessions (one in the AM and one in the PM) with 5-7 presenters at each session showing interested members a great educational tool. Each presenter will have their own table in the breakout room. One session would revolve around technology and technology tools; the other around curriculum.

PRESENTATION DESCRIPTION, including session objective and three participant outcomes (maximum of 50 words). If your presentation is accepted, this description will be used in the program.

Additional presenters or panel members (with full contact information) should be noted on a separate piece of paper or in an email.

CONFERENCE REGISTRATION (check one):

- YES** – I/my team will attend the conference and will register as an attendee(s) and pay registration fees. Only the lead presenter only will receive a \$100 discount. Co-presenters are not qualified for the discount.
- NO** – I/my team will not attend the conference and will be attending as “Presenter(s) Only.” There is no fee to present if you are not attending the conference.

Note: See Exhibitor Sponsorship Registration Application for Vendor Presentation Fees.

EQUIPMENT and MATERIALS

CCIS will provide an LCD projector, screen, table, cabling, and internet access (Wi-Fi access will also be available in the meeting room for attendees). We will not provide a laptop computer. Bring your own laptop. If using handouts, presenters should plan to bring at least 100 copies for breakout sessions.
